**Major Activities affecting case closing:**

- 10/25/2021 PROCEED WITH CASE CLOSING.  
 10/22/2021 The Trustee has attempted to work with Brett Lashlee the Benton County Mayor on the possibility of deeding a portion of the dump site to Benton County to be used as a greenway. It appears this will not be possible because a secured creditor wants to be paid. It appears we are at a standoff. The creditor will not foreclose because the land is a toxic waste site. This case is close to the end unless the creditor releases his lien.  
 08/17/2021 Although I don't have any authority from the client at this point, at your convenience please send over the proposed order. Also do you have a map or diagram of 53 acres?
